

Enderby Road Infant School Pupil Premium 2014 - 2015

Summary updated Dec 2014 / May 2015 / July 2015

Number of pupils eligible for Pupil Premium funding:
 $\leq 18 \text{ KS1} \times \text{£}1900 = \text{£}34,200$
 (19 KS1 Summer term, 2015)

It is important to remember that Pupil Premium funding is paid to schools quarterly and follows the financial year from April to April, but schools follow an academic year of three terms from September to July. This is a summary of the academic year 2014 - 2015.

Please note that the number of children in receipt of Pupil Premium changes from term to term as some children become eligible, and other children come to or leave the school.

We use our Pupil Premium funding in a variety of ways, to support the academic achievement of, and increase opportunities for, all Pupil Premium children, and also to address individual needs which may disadvantage a Pupil Premium child personally, socially or emotionally. Good to outstanding teaching makes the most impact on pupil achievement, and we use our Pupil Premium funding to increase the direct teaching hours spent with our PP children. Although we are a small school, we employ two HLTAs, and have upskilled all support staff in 2014/2015 to deliver quality phonics to smaller groups of children.

Pupil Premium funding was allocated in the following ways:	Cost	Impact / evidence
Continuing subsidy for 5 additional HLTA hours in Y1 (weekly) for three terms, 2014 - 2015, to deliver phonics in small, phonics phase, ability groups, and Precision teaching 1:1 for one Y1 PP children.	£3,000	Y1 phonics: PP pupil results: 8 children in Y1 took the phonic screening test, and 5 passed. Precision teaching is continuing to help 2 children make secure progress. The effectiveness of interventions and children's individual needs are continually assessed.
HLTA High Achievers training Spring 2015. Our HLTAs attended teacher training to raise achievement for our high achieving children and a focus on our higher ability PP children. Supply x 2 TA x 4 days each	£500 £1200	Y1 Higher achieving pupils were achieving above age-related expectations at the end of the year. Y2 PP KS1 higher ability results: nine children achieved 2B+ in reading and writing, and seven achieved 2B+ in maths. Two children achieved at least 2A+ in all areas, and Level 3 in at least one area.

Subsidy towards additional TA hours for Spring/Summer terms 2015 in Y2 class to enable Y2 teacher to focus on PP children/lower ability group.	£1500	Y2 PP KS1 results July 2015 KS1 Y2 - there were eleven PP children in Year 2. 100% achieved Level 2 in all areas of learning. Of the eleven, nine achieved 2B+ in reading and writing, and seven achieved 2B+ in maths. Two children achieved 2A+ in all areas.
Additional half day UPS teacher hours (£950 per quarter) Three terms 2014/2015 KS1 teacher. This half day releases other teachers to target areas of concern where PP children need additional skills practice or made insufficient progress in a previous lesson.	<=£4500	See above. The gap in attainment between our PP and non-PP children is small, and fluctuates termly within a narrow band, sometimes becoming a positive. In Spring 2015, we volunteered to have our school Poverty Proofed, and this has given us new ideas how to eliminate the gap in 2015/2016.
Additional TA L2 gardening hours (2.5 hours per week) three terms. (Training and support funded by school's involvement in learning network and Words Count project to develop storytelling areas and growing areas around school) Contribution to development of reading area with throne on main field. Refurbishment of gardening areas for speech and language development, and gardening club.	£700 £300 £320	Greater opportunities for listening to stories, free-reading and speaking and listening in the school environment. It is important that we make reading a meaningful and magical experience in order to engage children in learning. Reading area completed Spring/Summer 2015.
Additional EYFSP hours (2.5 per week) three terms 2015 / Precision teaching one PP/SEN child in Y1. This member of staff has the skills to support this child with this intervention.	£700	This child is making steady but secure progress through this intervention.
