

At the fish shop

Tash and Trish got cash from the tin on top of the shelf.

They went to the fish shop to get fish.

Tash said, 'I'm not so fond of cod. I wish they had shrimps or shellfish.'

Tash is a bit posh. 'Shush!' said Trish. 'Fresh fish is fab. Let's dash back and grill it and put it on a dish.'

Tash didn't finish the fish and had to put it in the trash. Selfish Tash!
