

ENDERBY ROAD INFANTS SCHOOL

Headteacher's News Letter

Friday 6th November 2020

Dear parents/carers

We do hope you enjoyed the half term break. The children have settled so well back into school and some of them even look as though they have grown over the holidays!

As the weather is definitely changing please make sure that your child remembers their named coat and school jumper each day. I would like to politely remind all parents that our school uniform is a red sweatshirt or cardigan. If you would like to purchase this with our school logo on, these are available to buy from Shah's Uniform suppliers in town. As we are having to keep the classroom windows and doors open to aid ventilation, as part of our Covid risk assessment, you may want to make sure that your child is wearing a vest or extra layer under their uniform as the weather becomes colder. I know several parents have already been out to buy thermals for their child!

Our school focus for next week is the positive strength of 'Fairness' and we will be discussing what it means to be Fair and how can we demonstrate this at home and at school.

Treating others with fairness and dignity is the "rain" that helps them to grow and be fruitful.

RESTATE: COMPASSION AND JUSTICE

Of course we are approaching the Christmas season soon where we will be continuing to plan exciting Christmas activities and events - more information will follow.

Thank you again for your continued support. If you have any questions, please feel free to get in touch.

Kind regards
Mrs Goulthorpe
