

Class 5 Daily Activities - Superheroes!

Week 2 Day 2 - Tuesday 12th January

Music/Singing 9am

Join in with singing session on either 'Sing Up's YouTube channel' or on 'Sing Up at Home' at **9am** where #FeelgoodFifteen will **stream live** for anyone to watch and join in. If you miss the session, don't worry. Each video will be saved so that you can catch up afterwards.

Phonics/SPaG

Mrs Brown's Phonics Group:

Click on the link below or copy and paste it into the URL and click on 'video'. Scroll down to the section that has /ur/ /ow/ /oi/ and /ear/

https://central.espresso.co.uk/espresso/primary_uk/subject/module/frontscreen/item62767/grade1/index.html

watch each video for these sounds as a recap. On the right hand side there are activities to play for those sounds.

Rest of the Class:

Watch this video on the ways of writing the r sound on 'Discovery Education'. Either click on the link or copy and paste it into the URL:

https://central.espresso.co.uk/espresso/primary_uk/subject/module/vide/item108364/grade1/module63429/index.html

Then play the 'Sorting by Spelling' game found in the box on the right hand side of the video screen.

Literacy/Topic

Who is your favourite superhero and why? Write **in detail** about your favourite superhero. What are their powers? How do you know about them? Have you seen them in a film/ read about them in a book/seen them on a TV programme? What is their costume like? How do they help people?

Topic/Creative

Paint or draw a picture of your favourite superhero. You could put them in a superhero scene if you like. Remember to add details to their costumes and label them so that we know why they have each part.

Maths

Watch Video 'To subtract a 2 digit number and ones'. Either click on the link or copy and paste it into the URL:

[To subtract two-digit numbers and ones \(thenational.academy\)](https://www.thenational.academy)

To practise this concept have a go at playing this game. Either click on the link or copy and paste it into the URL:

[Subtracting 1-digit from 2-digit Missing Subtrahend \(snappymaths.com\)](https://www.snappymaths.com)

Put the start number in your head and count back until you get to the answer, how many did you count back?
