

EYFS Cycle 1

Autumn	Super Me!  As the children come back to school, they learn about how they have grown up and how their bodies have changed.	Great Britons  The children will learn all about our monarchy, key landmarks in London and what it might be like to be one of the royal family.	Autumn  Children will learn about the changes that take place in autumn and what happens to the world around us.	Christmas  How is Christmas celebrated around the world? Where do reindeer come from?
Spring	Winter  To learn about how the weather gets colder and the days get shorter. How do we keep warm in winter?	Farming  What is it like to work on a farm? The children will learn about farms near us: what they grow and the livestock. Local farms in the area -visit to Gander Farm and learn about farming in our area.	Spring  The children will learn about the order of the seasons and that in spring it gets warmer and things begin to grow.	Easter  The children will learn about the Easter story, it's significance for Christians and why we have Easter eggs.
Summer	Where do I live?  Children will learn that they live in Scunthorpe and that it is part of England. They will also learn what the Union flag is like.	Land and Sea  The children will learn about things that live in the ocean and what the coast is like. They will find out about pirates and how they travelled around the seas.	Summer  What is the temperature like in the summer? How can we keep our bodies safe in the sun?	Journey into....  Transition time. A topic to prepare them for the journey into the next school year. What lies ahead for us in the next year and what have you learnt this year?
